

# LAUNCH

**Are you 18-24?**

**Do you need a career or job?**

**Do you need help getting into school?**

**Get connected with Launch.**

The first years of adulthood can feel like a struggle. You're trying to accomplish all of your goals, but life keeps getting in the way. Launch is a program that helps you reach your goals if you are looking for a job, getting connected to school, exploring careers, or working on your finances.

Get access to careers in industries such as **healthcare, information technology, business, and finance.**

To get started with Launch, speak to an outreach worker and get connected to a coach.
